# Milky Way || مَلْكَى واي Magazine

## Vision and Mission

Named after our galaxy, Milky Way || مَلْكَى واي Magazine is an online bilingual magazine that is founded and owned by Maram Mohammed. It focuses on the artistic and talented side of generations Y and Z, and tackles social norms, or in other words, challenges what is usually forced upon us – whether it be the infuriating patriarchy or our everyday hassles.

### **Our Vision:**

Milky Way || مَلْكَى واي Magazine' vision is to create a space that is diverse and spacious enough for everyone to fit in. To create a creative, safe place for everyone to indulge in and enjoy.

### **Our Mission:**

Milky Way || مَلْكَى واي Magazine's mission is to provide content worth sharing, to challenge the cultural norms that is forced upon us, to shed light on up-and-coming creators, to cover events by the youth for the youth, and to help our generation leave their mark.
